PARADIGM FOR PERSONAL GROWTH

This month's guest speaker will be Tom Hill. He is the Chairman of the Board, Executive Vice President, and Chief Operating Officer of Kimray, Inc., a leading manufacturer of oil and gas equipment and controls located in Oklahoma City, OK with world-wide distribution.

Tom began his career at Kimray in 1971 after seven years in the United States Marine Corps including a tour in Viet Nam as a Radar Intercept Officer in F4-B Phantom jets and then earning a B.S.E.E. from Oklahoma State University.

Tom is the Founder and President of Character First!® and the Character Training Institute, Inc., a non-profit 501(c)(3) organization dedicated to providing materials and training for families, schools, businesses, and other organizations interested in building good character.

Character First!® began at Kimray with a desire to help all employees be successful. Since all lasting achievement is rooted in good character, encouraging and building good character helps individuals and families reach their full potential. Successful families lead to successful businesses, communities, and even countries.

Since its inception in 1992, over 1200 businesses, 2000 school districts, and 150 communities in the United States and seventeen foreign countries have implemented this "new" paradigm for personal growth.

Tom serves as trustee or board member for numerous organizations including Oklahoma Baptist University, the Institute in Basic Life Principles, and Scope Ministries International.

Tom and his wife Kay are active members of Western Hills Baptist Church in Oklahoma City. They have been married since 1963; have three married children and eighteen grandchildren.
