### JOB POSTING: QUALITY COORDINATOR

The nation's premier blood bank, The Oklahoma Blood Institute, is actively seeking an experienced **Quality Professional** to fill a new position within the Institute. This dynamic and broad scoped position, will work in partnership with the Administrative functions of the organization to improve quality processes and systems. This key position will be responsible for the analysis and development of quality processes, policies, procedures and SOPs as well as acting as a liaison with internal Quality and Regulatory Departments and other Operational Department Quality Coordinators.

Successful candidates should have a bachelor's degree and at least five years of industry or business quality experience (ASQ Certification preferred). The ability to manage multiple projects simultaneously, excellent writing, computer (MS Office & Project) and time management skills are a must.

In this position, you will enjoy a culture committed to providing the highest quality blood products and medical services in the world, as well as an environment of innovation, collaboration and a world-class future. OBI also provides a very competitive salary with an excellent benefits package including Health, Dental, Vision, Life, STD, LTD, Flex Plan, PTO, Tuition Reimbursement and 401k Plan.

Please send your resume and salary history in confidence to:
